Effective January 1, 1993, the Illinois Department of Commerce and Community Affairs has approved an ordinance to amend the sales tax exemption and expand the boundaries of the Dixon/Lee County Enterprise Zone.

What sales qualify for an enterprise zone exemption?

For a sale to qualify for an enterprise zone exemption from state and local taxes, the following conditions must be met:

 The retailer making the sale must be located within the corporate limits of the city of Amboy or Dixon or the unincorporated area of Lee County.

- The sale must be completed on or after January 1, 1993. (For information concerning exempt sales prior to that date, see Informational Bulletin FY 88-4-E.)
- The sale must consist of building materials that will be incorporated into real estate located within the Dixon/Lee County Enterprise Zone by means of remodeling, rehabilitation, or new construction.
- The improvements must be of the type for which a building permit is required.

What documentation must I maintain in my books and records for each sale?

For each sale, the purchaser must provide the retailer with the following:

- a signed statement indicating the address in the enterprise zone at which the building materials will be incorporated (see the reverse side for an example of a Purchaser's Statement)
- a copy of the building permit

How do I claim an exemption?

To claim an enterprise zone exemption, the retailer must

- report gross receipts from these sales on Line 1 of Form ST-1, Sales and Use Tax Return, and
- write the deductions on Line 12 of the ST-1 Worksheet for Line 2.
